Subject: Internship Offer Letter - Product Development

Dear Mr. Yash Bhoomkar,

We are thrilled to extend to you an offer to join Qshift, a trailblazing organization in the AI space dedicated to redefining technological boundaries. Our team is at the forefront of developing innovative AI products that promise to revolutionize our daily interactions with technology.

Position Details:

Position Title: AI Product Development Intern

Joining date: 15th Mar, 2024

Ending Date: 14th June, 2024

Location: Work from anywhere,

Department: Research and Development

Responsibilities:

- Contribute to the design and development of our AI-driven products.
- Participate in coding, testing, and debugging of AI algorithms and systems.
- Collaborate with cross-functional teams to gather and define product requirements.
- Assist in the integration of AI technologies into our product suite.
- Engage in the documentation and presentation of technical findings and developments.
- Support the team in conducting research on the latest AI technologies and industry trends.
- Participate in product strategy sessions and provide innovative ideas.
- Assist in developing scalable and efficient AI models.
- Contribute to the improvement of existing AI functionalities and user experience.
- Participate in team meetings and provide progress updates.

Benefits:

- Mentorship from leaders in the AI and tech industry.
- The opportunity to work on cutting-edge AI projects.
- A vibrant and innovative work culture that fosters learning and development.
- Flexible work hours to accommodate your academic commitments
-
- Pioneer in cutting-edge underwater technology
- Collaborate with experienced experts
- Expand technical expertise
- Dynamic and collaborative work environment

QSHIFT TECH (P) LTD.
